THE 20 MOST INSTAGRAMMED PLACES IN MIAMI

There may not be a city in the world more Instagram abused than Miami. Between the clubs, beaches, and endless weekends on other people's boats, we are the city to move to if you want to be famous for creative use of filters and hashtags. But beyond the VIP lounge and the rail of a yacht with the skyline in the background, there are some pretty cool places in this city to post pictures of online. And after crunching the data from Instagram itself, here are the top 20.

1. Wynwood Walls

It's satisfying that in a city full of people who use Instagram to become famous for nothing, the most popular pictures are still of interesting, thought-provoking art. Well, Miami, we're making progress.
